### BAYFRONT CHARTER HIGH SCHOOL

--	--	--	--	--	--

**STUDENT ACHIEVEMENT: 100% of state-mandated AYP goals will be met for all critical subgroups of students, including English Language Learners.**

Maureen DeLuca	Imagine Learning	<p>ILT would like to pilot Imagine Learning. ILT proposing for all Kinder and 1<sup>st</sup> graders and ILT classes to pilot. Dr. DeLuca shared that the amount for Imagine Learning is \$30K for 370 students (all K-1, ILT classes, and EL's from MCLA). Dr. DeLuca shared that it is \$40K for unlimited licenses for one school year. Leadership had some questions about the program and had some discussion around Imagine Learning. Discussed the probable need for head-phones. Leadership Council members discussed the need for Imagine Learning given the needs of our English Learners. Leadership Council approved the expense of the full sight license for Imagine Learning Program.</p>	<p>Over the past several years we have looked at Imagine Learning as a resource for our English Learners. Some classes have piloted the program in the past. Our English Learners make consistent progress; Imagine Learning continues to come up as a research based, effective intervention tool.</p>	ILT members	Schedule a training for ILE and implementation plan.

**STUDENT ENGAGEMENT: Participate in at least one project or training in which they play a lead role.**

Maureen DeLuca	Field Renovation	<p>Dr. DeLuca provided background on Mueller Charter School's current field conditions. Leadership Council members had questions about how the installation and timeline of the field and how it would impact the school day for students. Leadership discussed all the benefits of a new field and rubberized track. Dr. DeLuca shared with Leadership that the overall field and track would cost \$1.2-\$1.4 million. Dr. DeLuca shared that a State Architect Plan is needed to start the process. Leadership</p>	<p>Mueller's field has 4 large, unsafe metal drains, large mud puddles and bald spots. Mueller has several sports teams that use the</p>	Dr. Riley, Dr. DeLuca, Don Mizock	Submit to CVESD school board.
----------------	------------------	---	--	-----------------------------------	-------------------------------

		<p>Council approved, at a cost not to exceed \$125,000.00, the drafting of architectural plans to initiate the field and rubberized track project, and bring to the Chula Vista Elementary School District School Board for approval. Leadership Council would like the Kindergarten Playground area to be renovated for safety (a rubberized base for the play structure rather than wood chips) and asked if this can be worked into the renovation plans.</p>	<p>field frequently. There are multiple areas with divots and an uneven surface. Multiple students come to the nurse for a change of clothes after slipping in the mud throughout the school year.</p>
