### **PUBLIC COMMENTS:**

#### **LCAP Goals:**

Review LCAP Goals & discuss: Dr. DeLuca reviewed LCAP Goals with the Parent Council.

### **GOALS OF THE 2015-16 PARENT COUNCIL:**

Identify goals for Parent Council for the year.

#### **Goals of the 2015-16 Parent Council**

Parent council reviewed the goals from last year. -Additional modes of communication from school to home -Build a sense of community through events -Provide enriching programs for students after school. Shared that they made progress towards these goals with more home school communication including Peachjar, school messenger and MCS facebook account. There were also additional community events including the craft nights and evening of the arts. Mrs. Lozano asked about cheerleader coach for middle school. Dr. DeLuca shared that after school sports require a teacher leading the sports for middle school. Need a certificated teacher to head it up. We have emailed teachers to see if they are interested in coaching a sport. Ms. Lozano inquired about lockers for the middle school. There are currently lockers in the middle school in Gina Bebe's classroom & Mr. Lopez's room. Ms. Lozano asked about sports grade 4-6. Mr. Estrada shared that they will continue with chaperone training. We want to make sure that any parents attending a field trip attend chaperone training. Parent council suggested inviting parents to the bus evacuation drill. Dr. DeLuca shared that the parent council can think about what new goals they would like to identify for this year. Parents felt that continuing to focus on providing after school activities for students may be a goal to continue to focus on.
