Parent Council Minutes: January 29, 2015

Welcome & Minutes Approval:

Review and approve the minutes from the December meeting.

Purpose of Parent Council:

Monitoring and reviewing the implementation of the charter petition, monitoring the progress of MCS toward achievement of charter goals, improving communication between home and school.

Charter Board Update:

Public Comments:

GOALS OF THE 2014-15 PARENT COUNCIL:

Goal 1: Establish additional modes of communication from school to home and from families to school.

English Learner Re-designation Criteria: Dr. DeLuca described the re-designation process and that the ILT team recommended using MAP data as part of the re-designation criteria. Dr. De Luca provided parent council with the proposed criteria and they approved.

Field Trip Chaperone Training: Mr. Estrada shared he provided a chaperone training. Team discussed that parents should attend a chaperone training prior to attending field trips. Parent Council would like parents to attend bus evacuation drill next year if possible. A question was asked if parents attend a training, can the chaperones take a group of students by themselves.

Bayfront Communication: Dr. Santos attended and shared information about the status of Bayfront Charter High School's WASC accreditation process. Dr. Santos shared the current status of WASC accreditation and shared possible outcomes. Dr. Santos shared they have applied and are waiting to hear from WASC about scheduling a school visit. Dr. Santos also explained possible outcomes if Bayfront Charter High School became accredited. Dr. Santos shared information about Bayfront Charter High School college visit to Santa Barbara.

Parent Council had a brief discussion about the Swap Meet Fundraiser. We will revisit having this fundraiser if needed.

A question was brought up about Dr. De Luca and Mr. Estrada's involvement in MCLA. Parent requested that we stop into the MCLA assemblies on Friday mornings.

Goal 2: Build sense of community with additional events throughout the school year.

Goal 3: Provide enriching programs (dance/music) after school for students.

Valentine Craft Night 2/12/15 4:30-5:30 (Parent help will be appreciated) Dr. De Luca shared that 200 minutes are required for Physical Education per every 10 school days. Dr. De Luca shared information on the Physical Education Settlement in California.

Dr. De Luca shared there was a visit from the Executive Director of Instruction from the San Diego County Office of Education. She also shared that Denise Finney, the district Math Resource Teacher, visited Mueller classrooms.

NEXT MEETING:

February 26, 2015

AGENDA ITEMS TO INCLUDE:
